

# Everyone deserves a violence-free life.

Here's how SafeNight works:

1. The donor downloads SafeNight onto their mobile device and creates a profile.
2. The individual in need contacts a domestic violence agency or hotline.
3. The case manager determines that a hotel is an appropriate placement and enters a request for hotel room funding.
4. The donor receives an alert, an opportunity to pay for a hotel room via a tax-deductible donation to the requesting agency.

In a single day, over 10,871 requests for help from survivors of domestic violence go unmet nationwide. Of those unmet requests, 56% are for safe housing. These requests for safe shelter go unmet largely due to a lack of appropriate shelter and limited funding for hotel rooms. [source: 2014 National Domestic Violence Counts Report]

## SafeNight:

### Unlocking resources to fund safe shelter.

SafeNight is a mobile service that alerts donors to opportunities to securely fund hotel rooms when shelters are full or unavailable. Agencies with a process for placing clients in hotels can use SafeNight to fund safe alternative shelter, ensuring better access to safe shelter for survivors and expanding the opportunities for donors to make a difference.

## Join the community

Caravan Studios is supporting an active group of domestic violence agencies using SafeNight to fund safe, on-demand alternative shelter.

Visit [www.SafeNightapp.org](http://www.SafeNightapp.org) to sign up and learn more about how your agency can benefit from this free service. Invite donors to download SafeNight and support your agency in a time of need.
